Non-Tech Requirements:

1. Art Supplies: Complete list of Art Supplies will be available once you have completed your registration form.
2. Workspace Set-up: video/visuals with step by step instructions will be available.

Each Student will be responsible for providing or purchasing the items from the supply list as well as the tech requirements and be prepared with them all one week prior to the first class.

[Our instructors will invite you to a Zoom meeting one week prior to class to help you to set up your home studio so you are ready to go on the first day of class.](#)
